Sunstar's Contribution to Disaster Relief for the People and Areas Affected by the Tohoku – Pacific Ocean Earthquake

We would like to express our heartfelt sympathy to the people affected by the Tohoku-Pacific Ocean Earthquake on March 11.

We, the Sunstar Group, have decided to donate a total of 200 million yen, both in monetary and in-kind contributions, mainly through Sunstar Inc. in Japan, to help contribute to the relief and recovery efforts in communities affected.

We hope our relief supplies, including dental rinse, which will come in handy in the affected areas suffering from water shortage, in addition to nutritional juice, can be of some help in maintaining the health of those people involved.

Sunstar donated 30 million yen to Japanese Red Cross Society on March 22, 2011.

The relief supplies we have decided to donate are as follows:

- Dental rinse: 100,000 bottles
- Travel set: 100,000 sets
- Toothbrush: 100,000 packs
- Vegetable juice: 120,000 cans
